Dear Andrew:

I just wanted to take a moment to thank you for the impact you have made in my life and my career. You have helped me grow as a person and I can tell you without hesitation that because of your ideas, expertise and guidance my practice has grown exponentially. I am thankful that you always go the extra mile to answer my questions or provide guidance and support. I know you do this work because you truly care about making a difference for people. To me, this attribute shines above all.

I find you are a genuine, authentic example of what is admired in the top business professionals worldwide.

I would highly recommend you to my colleagues and business associates and am certain their lives would be positively impacted as well.

I look forward to working with you for many years to come.

Sincerely,
