Dear Andrew;

I want to thank you for the business advice and assistance that you have provided to me since our first meeting at BNI in 2005. Your guidance through my most recent business expansion project and sale of an existing business has proved to be very beneficial and should result in the successful addition of many more locations to my newly established business. Over the years I have known you, I have found you to be professional, courteous and easy to work with, while providing extensive business knowledge and sound strategies to assist in business growth and development. In this past year, your help with Business Planning, Contracts, Marketing Materials, Sales and Franchise Development has proved to be of great value to me. I look forward to our continued relationship and I would not hesitate to recommend your services to others that wish to grow their businesses.

Sincerely,

Dr. Adrian Pettyan
